## College Board Membership

The College Board is a not-for-profit membership association composed of more than 5,400 high schools, colleges, and other educational institutions, all of whom support our mission of connecting students to college success and opportunity. Membership helps promote higher standards of teaching and learning at your school and offers generous discounts for professional development workshop fees. For example, if a College Board member school sends 10 educators to a one-day workshop, it pays \$250 less than nonmembers—a significant savings.

For more information about College Board membership or to see if your institution is a member, visit our Web site at [www.collegeboard.com/members](http://www.collegeboard.com/members).

The College Board has been approved as an Authorized Provider of the IACET Continuing Education Unit (CEU). In obtaining this approval, the College Board has demonstrated that it complies with the ANSI/IACET standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider Membership status, the College Board is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET standards. The International Association for Continuing Education and Training (IACET, 8405 Greensboro Drive, Suite 800, McLean, VA 22102, Phone 703 506-3275, Fax 703 506-3266, E-mail [info@iacet.org](mailto:info@iacet.org)) is a nonprofit organization. One (1) IACET CEU is equal to ten (10) contact hours of participation in an organized continuing education experience offered by an organization that has met strict criteria and guidelines (detailed at [www.iacet.org](http://www.iacet.org)).

IACET is dedicated to quality continuing education and training. Members of the organization are the educational professionals that strive to provide these services.
