Membership helps promote higher standards of teaching and learning at your school and offers generous discounts for professional development workshop fees. For example, if a College Board member school sends 10 educators to a one-day workshop, it pays \$250 less than nonmembers—a significant savings.

For more information about College Board membership or to see if your institution is a member, visit our Web site at www.collegeboard.com/members.

The College Board has been approved as an Authorized Provider of the IACET Continuing Education Unit (CEU). In obtaining this approval, the College Board has demonstrated that it complies with the ANSI/IACET standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider Membership status, the College Board is authorized to offer other IACET CEUs for its programs that qualify under the ANSI/IACET standards.
