## Connecting to My College QuickStart™ with an Access Code

If you receive an error message, we could not securely connect you to your score data. Double-check your account information and entered access code to ensure no typos occurred. Specifically, check that your first and last names within your collegeboard.com account match exactly as they appear on your paper score report. Also verify that your date of birth is correct. To review your account information, click the **Update My Info** link.

**Ima Student**  
imabstudent@example.com
