## ATTENTION: ERRATUM NOTICE

We are sorry to report that there is an error in the SAT Practice Test contained within this booklet.

The error can be found on page 44, Question 5, in Mathematics Section 9. For each of the answer choices, the  $\pi$  symbol is missing. The answer choices should appear as follows:

5. The two semicircles in the figure above have centers  $R$  and  $S$ , respectively. If  $RS = 12$ , what is the total length of the darkened curve?

(A)  $8\pi$   
 (B)  $9\pi$   
 (C)  $12\pi$   
 (D)  $15\pi$   
 (E)  $16\pi$

Please update the question in this booklet before you take the practice exam.

We apologize for the error and any confusion it may have caused.
